Human Race on 5/13 #bayareahumanrace

My Story...

It's Human Race time. As you may recall, for the past 4 years, my family has walked in the 5k 'race for humanity' - a massive community-wide event that welcomes all nonprofits. It's a day filled with thousands of people running, walking, in wheelchairs, walking dogs, pushing strollers... all who care about our community - from those who support education to health, and our veterans to children, and animals to the environment.

This year, we're walking in honor of my Dad who passed away in September and was the ultimate champion of social justice. He would be so proud. Please help me to reach my goal by donating \$5, \$20, \$50 or anything you can. It's tax deductible and goes to a great cause. And if you're around, we'd love to have you join us and walk together (we don't run. hehe) at the Human Race.
